

# THE VIDEO ENCYCLOPEDIA OF THE 20<sup>TH</sup> CENTURY™

Exclusively on **SAFARI MONTAGE™**

This exceptional video encyclopedia provides a **compelling visual** record of the 20<sup>th</sup> century unlike any other educational resource available. This vast resource contains **77 hours of primary source content** and over 2,300 searchable segments covering the people, events and issues responsible for shaping the years 1893—1990.

Actual footage of the most significant people and events of the 20<sup>th</sup> century in an easy-to-use, Video-on-Demand format. ■

This resource offers teachers and students a staggering array of content that can be incorporated into playlists to supplement their lesson plans. It provides district curriculum staff with plentiful ways to create vivid multimedia lesson plans that chronicle moments in history. Students will see and hear this century's greatest orators, and they will travel back in time to experience events unlike ever before.

Many of the clips capture original sound while others are unencumbered by added music, sound effects or commentary, thus presenting the events as they were originally recorded.

Notable topics include:

- The Industrial Age
- The Great Depression
- Women's Rights Movement
- The Holocaust
- Medical Breakthroughs
- World Leaders
- The Kennedy Years – Including the Zapruder Film
