Enjoy new and future features plus free content* for your SAFARI Montage system with the Software Upgrade Plan.

Here is just a sampling of some of the great features that have been released in the last year!

USER INTERFACE

Expanded Interactive Whiteboard Integration
SAFARI Montage now supports integration with SMART Board®, in addition to Promethean Activboard and other interactive whiteboards.

Enhanced Playlists/Multimedia Lesson Plans
Organize Playlists by district and user into folders for easier access. Hyperlink Playlists from any document or portal outside SAFARI Montage by using the new Permanent Links feature.

SAFARI MONTAGE MEDIA PLAYER

Designed specifically for K-12 educators, our media player heightens the visual learning experience.

- Switch language tracks dynamically, allowing for continuous play between Spanish and English for Schlessinger Media programs
- Dynamically turn closed-captioning on and off
- Variable-Speed Playback – enables slower speed video and audio playback, ideal for special needs students and English Language Learners

SAFARI MONTAGE CREATIONSTATION

Greatly Expanded Media and Document Type Support – Now supports 33 of the most popular media and document file formats.

Virus Protection – Virus protection for content uploaded via the CreationStation Module

SAFARI MONTAGE LIVE! INTEGRATION

Recorded SAFARI Montage Live! videoconferencing sessions are now accessible and played from within SAFARI Montage right from the dashboard.

FREE CONTENT*

- Schlessinger Media Spanish Language Tracks
- Images From NASA Package
- National Underground Railroad Freedom Center Content Package (Available until August 2011)
- Paintings by the Masters Image Package
- IRC History Pictures/IRC California History Pictures

* Some free content may require the purchase of an additional hard drive or other products. Free content packages subject to license terms and conditions and require an active Core Content license subscription.

** If coverage is desired, each school connected to the WAN must purchase the Plan. Software Upgrade Plan terms or Technical Support Only Plan terms will apply.

*** See SAFARIMontage.com for warranty terms and conditions.

**** The Extended Hardware Warranty must be purchased no later than 30 days after the expiration of the warranty or other previous coverage. The Extended Warranty for each specific piece of hardware will begin upon the expiration of the previous coverage for each individual piece of hardware. Extended Warranty terms apply.
