Career Clips Content Package

Appropriate for grades 7 & up **CTE and STEM Support!**

Includes 571 video clips

These career videos were developed and distributed by the Center for Occupational Employment Information (COEI) under a grant from America's Labor Market Information System (ALMIS), a program of the U.S. Department of Labor's Employment and Training Administration (ETA). The 571 career and technical education video clips included in this package are designed to provide a brief, visual introduction to careers and the world of work.

These clips cover a vast number of careers across many industries, including agriculture, food and natural resources; architecture and construction; business, management and administration; education and training; information technology, science, technology, engineering and mathematics; and more.

A complete list of titles is available at www.SAFARIMontage.com.
