

# Enroll Now in the SAFARI Montage® Software Upgrade Plan

Make the best of your investment by keeping your system up-to-date with the latest upgrades, free content\* and time-saving innovations for your teachers.

## Software Upgrade Plan\*\* includes:

- Upgrades to SAFARI Montage, SAFARI Montage WAN Manager and SAFARI Montage CreationStation® software, plus free content\*
- Technical support via phone and email

**THE SAFARI MONTAGE MEDIA PLAYER ENHANCES THE LEARNING EXPERIENCE**

**GREATLY EXPANDED MEDIA AND DOCUMENT TYPE SUPPORT**

Here is just a sampling of some of the great features and content that you get when you purchase a Software Upgrade Plan!

## USER INTERFACE

### Expanded Interactive Whiteboard Integration

SAFARI Montage supports integration with SMART Notebook®, Promethean® Flipchart, Hitachi® StarBoard® and elnstruction® Workspace™ files.

### Enhanced Playlists/Multimedia Lesson Plans

Organize Playlists by district and user into folders for easier access. Hyperlink Playlists from any document or portal to SAFARI Montage by using the Permanent Links feature.

### Expanded Search Results

Web links are now included in the federated search and can be seamlessly integrated into your multimedia lesson plans.

## SAFARI MONTAGE MEDIA PLAYER

- Switch language tracks dynamically, allowing for continuous play between Spanish and English for Schlessinger Media programs
- Dynamically turn closed-captioning on and off
- Variable-Speed Playback – enables slower speed video and audio playback, ideal for special needs students and English Language Learners
- Support for 64-Bit OS X Systems

## SAFARI MONTAGE CREATIONSTATION

**Greatly Expanded Media and Document Type Support** – Supports over 40 of the most popular media and document file formats.

## SAFARI MONTAGE LIVE! INTEGRATION

Recorded SAFARI Montage Live! videoconferencing sessions are now accessible and played from within SAFARI Montage right from the dashboard.

## FREE CONTENT\*

- Career Clips Content Package
- Schlessinger Media Spanish Language Tracks
- Digital Resources From NASA
- National Underground Railroad Freedom Center Content Package
- Paintings by the Masters Image Package
- IRC History Pictures/IRC California History Pictures
- Expanded K-8 at no additional charge!
- National Atlas of the United States Maps
- U.S. Fish and Wildlife Service Photographs

## Also Available

### Extended Hardware Warranty

T440i, RM820 and WAN840 servers come with a limited 1-year warranty.\*\*\*

An Extended Hardware Warranty can be purchased, which includes the repair and/or replacement of a defective server(s) and/or hard drive(s). Call 800-843-4549 for a quote.\*\*\*\*

\* Some free content may require the purchase of an additional hard drive or other products. Free content packages subject to license terms and conditions, and require an active Core Content license subscription.

\*\* If coverage is desired, each school connected to the WAN must purchase the Plan. Software Upgrade Plan terms will apply.

\*\*\* See SAFARIMontage.com for warranty terms and conditions.

\*\*\*\* The Extended Hardware Warranty must be purchased no later than 30 days after the expiration of the warranty or other previous coverage. The Extended Warranty for each specific piece of hardware will begin upon the expiration of the previous coverage for each individual piece of hardware. Extended Warranty terms apply. www.SAFARIMontage.com/pdfs/extended\_hardware\_warranty.pdf
