2. Software License. Subject to the terms and conditions of this EULA, Safari Video Networks hereby grants to Customer a non-transferable, non-exclusive license to use the Software, solely in object code format, for the purposes described in the Documentation and in this EULA. Customer is exclusively responsible for the supervision, management and control of the use of the Software and for compliance with the terms and conditions of this EULA. For the avoidance of doubt, the Software is licensed to Customer for use on only one (1) computer server with the Permitted Number of Clients. Customer's use of the Software with additional Clients shall require a written license from Safari Video Networks.

2.1 Restrictions on Use. Unless otherwise expressly authorized under this EULA, Customer shall not and shall not authorize any third party to:

- (a) copy, download, or modify the Software;
- (b) assign this EULA or transfer, lease, rent, export or grant a sublicense of the Software to any third party unless authorized by Safari Video Networks in writing (any attempt to do so without such authorization shall be void);
- (c) reverse engineer, decompile or disassemble the Software;
- (d) disclose any of the Software or any of the technology, ideas, algorithms or information inherent therein or related thereto except to the extent that Customer can prove that the Software or any such technology, idea, algorithm or information is generally available for use and disclosure by the general public without charge and without the necessity for a license from Safari Video Networks;
- (e) use the Software to:
  - (i) infringe the intellectual property rights, the proprietary rights, or the rights of publicity or privacy of any third party;
  - (ii) violate any applicable law, statute, ordinance or regulation of any jurisdiction;
  - (iii) disseminate information or materials in any form or format (collectively, "Content") that Customer knows or should know is harmful, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, libelous or otherwise objectionable under applicable community standards; or
  - (iv) disseminate any software viruses or any other computer code, files or programs that may interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment. Customer, not Safari Video Networks, remains solely responsible for all Content that Customer uploads, posts, e-mails, transmits or otherwise disseminates through Customer's use of, or in connection with, the Software. All Content that Customer accesses through its use of, or in connection with, the Software shall be at Customer's sole risk, and Customer shall be solely responsible for any damage of any nature whatsoever to any person or entity resulting therefrom;
  - (f) ship, transfer or export the Software into any country, or use the Software in any manner, that is prohibited by the United States Export Administration Act or by any other export laws, restrictions or regulations of the United States, Canada or any other jurisdiction.
  - (g) use the Software except as expressly authorized herein; or
  - (h) permit any third party to use the Software in any way that would constitute a breach of this EULA.

Any breach by Customer of this Section 2.1 shall result in the automatic termination of this EULA and Customer shall immediately cease use of the Software.

2.2 High Risk Uses. Customer acknowledges that the Software is not fault-tolerant and is not designed, manufactured or intended for use in hazardous environments requiring fail-safe performance (such as, without limitation, the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, life support machines or weapons systems) in which the failure of the Software could lead to death, personal injury or severe physical or environmental damage (collectively, "High Risk Activities"). Accordingly, the license granted in Section 2 excludes any High Risk Activities, and Customer agrees: (a) not to directly or indirectly use the Software in or in relation to any High Risk Activities; and (b) to indemnify Safari Video Networks, its employees, agents, officers, licensors and affiliates, and save Safari Video Networks harmless from and against any and all losses, damages, expenses and claims of any nature whatsoever that Safari Video Networks may suffer or incur as a result of any use of the Software in or in relation to any High Risk Activities.

Any breach by Customer of this Section 2.2 shall result in the automatic termination of this EULA and Customer shall immediately cease use of the Software.

3. Termination. Without prejudice to any other rights, Safari Video Networks may terminate this EULA if you fail to comply with any of the terms and conditions herein. In such event, Customer must immediately cease use of the Software and return to Safari Video Networks or, upon request, destroy all copies of the Software and all of its component parts and certify such destruction to Safari Video Networks in writing.

4. Consent to Collect and Use Data. You agree that Safari Video Networks may collect and use technical information gathered in any manner as part of product support services related to the Software. Safari Video Networks may use this information solely to improve its products or to provide customized services or technologies to you. Safari Video Networks may disclose this information to others, but not in a form that personally identifies you.

5. Separation of Components. The Software is licensed as a single product. Its component parts may not be separated for use on more than one computer without a written license from Safari Video Networks.

6. Third Party Software. The Software may contain third party software which requires notices to other licensees and/or compliance with additional terms and conditions. If applicable, such required third party software notices and/or additional terms and conditions are located at [www.SAFARIVideoNetworks.com/eula](http://www.SAFARIVideoNetworks.com/eula) and are hereby incorporated by reference into this EULA and form an integral part hereof.

7. Right to Audit. Customer acknowledges and agrees that Safari Video Networks has the right to audit Customer's use of the Software in such reasonable manner as Safari Video Networks may consider appropriate. Except as provided in Sections 2.1 and 2.2 (for which Safari Video Networks has the right to automatically terminate this EULA), in the event any such audit determines that Customer is in breach of any provision of this EULA, Customer shall remedy any such breach to the satisfaction of Safari Video Networks within five (5) days of being notified in writing by Safari Video Networks of such breach, failing which Safari Video Networks may immediately terminate this EULA on written notice of termination to Customer. Remedial action may include payment by Customer to Safari Video Networks of additional license fees, for historical use, for current/future use, or both.

8. Ownership and Copyright. Safari Video Networks is the owner of all intellectual property rights (including copyright) in the Software. Customer undertakes not to remove any tag, label or other identifying marking, or any copyright or restricted rights notice placed by Safari Video Networks on the Software. Whenever Customer is authorized herein and/or under copyright law to make a copy of the Software, regardless of media, Customer shall reproduce any such tag, label or other identifying marking, or any copyright or restricted rights notice in full on that copy. Customer shall have no right, title, or interest in or to the Software except the right to use same and then only strictly in accordance with this EULA.

9. Limited Warranty and Limitation of Liability. Safari Video Networks warrants to Customer that the media on which the Software is supplied to Customer will be free from defects in materials and workmanship under normal use in accordance with the Documentation and this EULA for a period of 90 days from the date of delivery of same to Customer. Should Safari Video Networks be in breach of this warranty, Customer's exclusive remedy and Safari Video Networks' entire liability will be the replacement or repair, in Safari Video Networks' sole discretion, of any defective media that is returned to Safari Video Networks within the said 90-day period.

THE FOREGOING LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, WHETHER EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, MERCHANTABILITY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE. IN PARTICULAR, SAFARI VIDEO NETWORKS DOES NOT REPRESENT OR WARRANT THAT THE SOFTWARE WILL MEET CUSTOMER'S REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE. EXCEPT FOR THE LIMITED WARRANTY PROVIDED HEREIN, THE SOFTWARE IS PROVIDED "AS IS" TO CUSTOMER. THE CUSTOMER ASSUMES RESPONSIBILITY FOR THE SELECTION OF THE SOFTWARE TO ACHIEVE THE CUSTOMER'S INTENDED RESULTS, AND FOR THE USE AND RESULTS OBTAINED FROM THE SOFTWARE. AS A RESULT, THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS BORNE BY THE CUSTOMER. SHOULD THE SOFTWARE PROVE TO BE DEFECTIVE IN ANY RESPECT OTHER THAN AS ENCOMPASSED BY THE FOREGOING LIMITED WARRANTY, THE CUSTOMER ASSUMES THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR, OR CORRECTION.

SAFARI VIDEO NETWORKS SHALL NOT BE LIABLE, REGARDLESS OF CIRCUMSTANCES AND REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT UNDER THIS EULA OR IN TORT, INCLUDING NEGLIGENCE OR PRODUCTS LIABILITY, FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY LOSSES OR DAMAGES OF ANY NATURE OR KIND WHATSOEVER INCLUDING, BUT NOT LIMITED TO, LOSSES OR DAMAGES ARISING OUT OF OR RESULTING FROM USE, LOSS OR DELAY OF USE OF THE SOFTWARE, LOST OR CORRUPTED CUSTOMER OR THIRD PARTY DATA, LOST PROFITS OR LOST GOODWILL, FAILURE TO REALIZE SAVINGS, OR FOR ANY CLAIM OR DEMAND AGAINST THE CUSTOMER BY ANY THIRD PARTY, EVEN IF SAFARI VIDEO NETWORKS OR ANY OF ITS DEALERS, DISTRIBUTORS, OR AGENTS MAY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES.

REGARDLESS OF CIRCUMSTANCES AND REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT UNDER THIS EULA OR IN TORT, INCLUDING NEGLIGENCE OR PRODUCTS LIABILITY, SAFARI VIDEO NETWORKS' CUMULATIVE LIABILITY FOR CUSTOMER'S DIRECT DAMAGES ARISING OUT OF OR RESULTING IN ANY MANNER WHATSOEVER FROM THIS EULA, INCLUDING WITHOUT LIMITATION ANY UNCURED MATERIAL DEFAULT, BREACH, OR FAILURE ON THE PART OF SAFARI VIDEO NETWORKS UNDER THIS EULA, SHALL IN NO EVENT EXCEED THE LICENSE FEE FOR THE SOFTWARE WHICH HAS BEEN PAID BY THE CUSTOMER.

10. Indemnity. Customer shall indemnify and save harmless Safari Video Networks from and against any and all losses, damages, expenses or claims of any nature whatsoever Safari Video Networks may suffer or incur as a result of any breach by Customer of any provision of this EULA. This provision shall survive the termination of this EULA for any reason.

11. Entire Agreement and Application to Updates and Upgrades. This EULA, including any Applicable

(cont.)

Addendums, as the case may be, constitutes the entire agreement between Customer and Safari Video Networks pertaining to Customer's right to use the Software, and supersedes all prior collateral oral or written representations or agreements related thereto. In the event that Safari Video Networks makes available to Customer an update to or upgrade from an earlier version of any Safari Video Networks software product that was governed by a prior End User License Agreement between Safari Video Networks and Customer (a "Prior EULA"), such update or upgrade will only be made available to Customer on a license exchange basis - that is, any installation, copying or use of the update or of the upgrade shall for all intents and purposes constitute termination of the Prior EULA. Thereafter, any use by Customer of the Software product (including any such update or upgrade) shall be governed by the terms and conditions of this EULA.

12. **Applicable Law.** This EULA shall be governed by the laws in force in the Commonwealth of Pennsylvania, without regard to any conflict of laws principles. Customer consents to the exclusive jurisdiction of the state courts of the Commonwealth of Pennsylvania, Montgomery County and the United States District Court for the Eastern District of Pennsylvania in all disputes and matters arising under this EULA. Customer agrees to service of process upon it by mail or by express courier.

13. **Export Restrictions.** Customer acknowledges that the Software is subject to U.S. and European export jurisdiction. 14. **Severability and Non-Waiver.** Each and every provision of this EULA shall be severable, one from the other, and should any court of competent jurisdiction or arbitrator(s) interpreting this EULA determine any provision hereof to be void or unenforceable, then the same shall be struck from this EULA without in any way affecting the validity of any other provision of this EULA. No waiver by Safari Video Networks of any breach of any of the provisions of this EULA by Customer shall have any effect or be binding upon Safari Video Networks unless the same shall be in writing under the authority of an authorized signing officer of Safari Video Networks, and any waiver whatsoever shall extend only to the particular breach so waived and shall not limit or affect the rights of Safari Video Networks with respect to any other or further breach.

15. **Recovery Media.** If the Software is provided by Safari Video Networks on separate media and labeled "Recovery Media" or "Ghost Drive", you may use the Recovery Media or Ghost Drive solely to restore and/or reinstall the Software originally installed on the Device. You shall not copy, sell, loan, rent, lend or otherwise transfer the Recovery Media or Ghost Drive, including without limitation the Software contained therein, to another user or any other third party for any purpose. Customer acknowledges and agrees that it shall be solely responsible for its use of the Recovery Media and/or Ghost Drive, and that Customer shall indemnify and hold harmless Safari Video Networks from and against any and all losses, damages, expenses (including reasonable attorneys fees) or claims of any nature whatsoever that may arise from or are attributable in any manner whatsoever to any use of the Recovery Media and/or Ghost Drive.

16. **Maintenance.** This EULA does not entitle Customer to any upgrades, patches, enhancements or fixes (collectively, "Maintenance") for or to the Software, unless Customer makes separate arrangements for Maintenance with Safari Video Networks and pays the applicable fees associated with such Maintenance. Any patches, enhancements or fixes for or to the Software that may be made available by Safari Video Networks to Customer shall become part of the Software and for all intents and purposes shall be governed by the provisions of this EULA.

19.1 **License.** Safari Video Networks hereby grants to Customer a non-transferable, non-exclusive license to use the Beta Version of the Software (the "Beta Version"), solely in object code format, solely for Customer's internal business purposes. While Safari Video Networks intends to distribute a commercial release of the Software, Safari Video Networks reserves the right not to and, if there is a commercial release of the Software, to alter prices, features, licensing terms, or other characteristics of such commercial release as Safari Video Networks considers appropriate in its sole discretion.

19.2 **Use on "AS-IS" Basis and Related Disclaimer.** Customer acknowledges that the Beta Version is a pre-release version, does not represent final product from Safari Video Networks, and may contain bugs, errors, and other problems that could cause system or other failures, including data loss. Consequently, THE BETA VERSION IS PROVIDED TO CUSTOMER "AS-IS", AND SAFARI VIDEO NETWORKS DISCLAIMS ANY WARRANTY OR LIABILITY OBLIGATIONS, OF ANY NATURE OR KIND WHATSOEVER, TO CUSTOMER.
