Designed by our curriculum staff to meet the core needs of a K–8 curriculum, the titles in this package come from the most highly acclaimed publishers, such as Ambrose Video, BBC, Biography, Disney Educational Productions, The History Channel, National Geographic, PBS, Scholastic, Weston Woods and others, in addition to award-winning programs from Schlessinger Media (see reverse side). Each title is correlated to Common Core and State Standards, and includes extensive, standardized metadata to ensure that teachers can find exactly the clips they need. All video titles have been segmented into chapters and key concepts, and many include a quiz. Schlessinger Media titles also include closed-captioning, a teacher’s guide and a Spanish language track.
